

# Denver Lincoln Limousine, Inc. Vehicle tracking in action! Our Dispatchers do not have to call to see if the Chauffeur's on location **WE ASK THE VEHICLE!**

The screenshot displays a web-based vehicle tracking application. At the top, a navigation bar includes the company logo "DISCRETE WIRELESS" and version information "V6.0.20 (Updated 03-26-2006) Denver Lincoln Limo, Andy Poppenberg". Navigation tabs for "Find", "Routing", "Reports", "Alerts", "Maint.", "Admin", and "Messages" are visible. The main area features a map of the Denver, Colorado region with several vehicle locations marked by blue arrows and text labels. These labels include phone numbers and times, such as "L-4 7/300-0141 9/21 6:47A" and "N911 3/946-4309 9/21 6:47A". A right-hand sidebar contains a "Select Item To Find:" dropdown menu set to "Mobile", a list of mobile numbers, and buttons for "Ping" and "Clear". Below the sidebar is a "New Saved Location:" section with a "Create New Location Now" button. At the bottom of the map, there is a "View:" dropdown, a "Refresh: 2min" setting, and checkboxes for "Zones" and "Locations". The browser's taskbar at the bottom shows the "Done" and "Internet" icons.
